FIFTEENTH ANNUAL REPORT OF THE ILLINOIS HARNESS RACING COMMISSION

1960

We are submitting herewith the annual report covering the fifteenth year of pari-mutuel harness racing in the State of Illinois. Included in this report is statistical information covering the operation of pari-mutuel departments and racing activities of the licensees.

In 1960 the mutuel handle reached a total of \$60,900,861.00 as compared to \$57,420,110.00 in 1959. The increase of 6.1% was achieved despite the fact that 1960 had only 200 racing dates as compared to 207 in 1959. New and improved facilities installed by the licensees and a better class of horses were contributing factors in raising the sport of harness racing to its new all time high in attendance and pari-mutuel handle.

On subsequent pages of this report will be found a recapitulation of statistics and data with a comparison of prior years.
