Safety of the race participants, and maintenance of the integrity of the sport, continues to be a top priority of the Illinois Racing Board. The IRB remains committed to developing programs directly related to providing a safer environment for racehorses and industry participants. To that end, individuals who believe that a racehorse is being mistreated have the opportunity to call a 24 hour Hotline number **1-312-814-5078** to report each incident. The matter will then be turned over to the Racing Board investigators for follow-up. This hotline also allows individuals to anonymously inform the IRB of any illegal practices that may be occurring.
