THE YEAR 2000 IN REVIEW

The Illinois Racing Board is a regulatory and enforcement agency of State Government. The Illinois General Assembly established a public policy in the area of horse racing regulation which is then administered by the Board. The Board, which allocates race dates to various racing associations, is also responsible for licensing, rulemaking, and supervising the conduct of race meets. A staff of administrative, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at six tracks conducting pari-mutuel racing in Illinois during 2000.

The Board is a member of the Association of Racing Commissioners International (ARCI). The Board Commissioners, as well as staff members, are active participants on various ARCI committees. The information contained in the ARCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

The licensing division of the Board continued to emphasize customer service. Every individual that participates in Illinois racing is required to be licensed. The licensing process includes fingerprinting as well as the conduct of a background review for criminal histories. In January of 2000, the Board implemented a new photo ID license badge system that produces and stores digital photo images. For calendar year 2000, the Board issued 11,056 licenses.

The pari-mutuel auditing unit of the Board has been restructured to coincide with the fact that 78% of handle is wagered at OTB parlors or intertrack sites. Inspections and audits of these locations have increased dramatically in order to better protect the wagering public. Daily testing of pricing, breakage, and surcharges, as well as certifying the daily taxes due, continues as an important responsibility of the unit.

The 735 race programs conducted during 2000 resulted in a total handle of \$1,102,541,723, representing a decrease of less than 1% compared to 1999. Thoroughbred meets accounted for \$705,577,082, an increase of 2%, while standardbred meets contributed \$396,964,641, a decrease of 4%. For calendar year 2000, 34% or \$377,762,519 of the total handle was wagered on Illinois races. An additional \$629 million, an increase of almost 22%, was wagered on Illinois races in other states. Pari-mutuel racing in Illinois generated \$11,209,462 for local governments from off-track parlors in 2000.

On March 3, 2000, Sportsman's Park celebrated its 68-year tradition of thoroughbred racing with a grand re-opening of its multi-purpose facility. A state-of-the-art seven furlong track was in place for their 2000 race meeting. Illinois' newest thoroughbred racing oval, designed using revolutionary technology, was installed on the inner portion of the one mile auto racing track. In addition, the clubhouse was completely refurbished. Also, seating, television viewing areas, and concession stands were improved, and new jockeys quarters and a new paddock were constructed.

Arlington International Racecourse re-opened for 103 days of thoroughbred racing. Prior to its May 14 opening, the last day of live thoroughbred racing was on October 10, 1997. The Grade I Arlington Million, with a \$2 million purse, was won by Chester House and ridden by Jerry Bailey. Of the 17 graded stakes Arlington ran, fourteen were Grade III, four were Grade II and three were Grade I.

Several announcements were made in 2000, most notably the appointment by Governor George Ryan of two new Board members, William J. Parrillo and Leon Shlofrock. Mr. Parrillo, from Oak Brook, Illinois, is Chairman/President of the Safeway Insurance Company. Mr. Shlofrock, from Skokie, Illinois, is CEO of Betcare II, a company which manages long-term care nursing facilities.

On February 23, 2000, the Board approved the sale of Fairmount Park racetrack (Ogden Fairmount, Inc.), located in Collinsville, to Fairmount Holdings, Inc. William Stiritz, Chairman/CEO of Agribrands International and former CEO of Ralston Purina, owns the majority of Fairmount Holdings stock. Brian Zander, Vice President and General Manager of Ogden Fairmount, Inc., acquired stock in Fairmount Holdings and remained on as CEO of Fairmount Park.

On August 29, 2000, the Board approved the merger of Arlington International Racecourse and Churchill Downs Incorporated. Illinois law requires that ownership interests of at least 5% be approved by the Illinois Racing Board. Under the terms of the merger, Churchill Downs became the sole shareholder of Arlington International Racecourse, which is now referred to as Arlington Park. Churchill Downs owns additional racetracks in Kentucky, Florida, California and Indiana.

Each Illinois racetrack is entitled to receive up to six OTB licenses (except Fairmount Park which is entitled to seven licenses), bringing the statewide total to 43 authorized facilities. The Board granted 20 off-track licenses in 2000. On May 3, 2000, Balmoral Park re-opened the OTB facility at the Landmark Recreation Center in Peoria. The facility was initially opened by Balmoral Park on September 29, 1987. Balmoral subsequently transferred the license to Quad City Downs on February 13, 1990. Quad City Downs closed the facility on November 30, 1995.

In 2000, compared to 1999, total purses paid, including all supplements, increased by 18%. In addition, the average total daily purses paid at the Chicagoland thoroughbred tracks were up almost 22% (\$257,637) while the standardbred tracks saw an increase of 18% (\$109,497) in average daily purses.

PLESAC was voted the Illinois Harness Horse of the Year for the year 2000. A winner in 10 of his 25 starts, this trotting colt, bred by Fox Valley Standardbreds, is owned by Richard Balog and trained by John Butenschoen. Among his victories in 2000 were the \$213,600 Matron Stake at Dover Downs, the Su Mac Lad Stake on Super Night, and an elimination heat of the Maple Leaf Trotting Classic where he defeated Hambletonian winner Yankee Paco. This three-year-old by Armbro Charger added \$490,291 to his bank account and established a career best of 1:53 2/5 at the Illinois State Fair in Springfield. In his brief career, PLESAC has accumulated lifetime earnings of \$634,401.

TWO ITEM LIMIT was voted the Illinois Thoroughbred Horse of the Year for the year 2000. She made Illinois history because never before had a two-year-old filly captured such honors. This daughter of Twining, bred by Hal Snowden, Jr. and Raymond Simpson, is owned by Joseph Graffeo and trained by Stephen DiMauro. In 2000, TWO ITEM LIMIT started nine times, recording four wins, a second, and a third with earnings of \$258,050. Six of the nine races were stakes and five were graded. At Aqueduct, she won both the Grade III Tempted Stakes and the Grade II Demoiselle Stakes.

LABORATORY

The Illinois Racing Board Laboratory conducts one of the most comprehensive equine drug testing programs in the country using enzyme linked immunosorbent assays (ELISA) on a routine basis. An expanded menu of ELISA tests allowed the detection of the antidepressant drug Doxepin in a harness racehorse for the first time in Illinois. The laboratory routinely tests for blood threshold levels of three substances, Furosemide, Phenylbutazone and TC02 and performs random saliva tests in horses in the paddock to detect cocaine administration or contamination. The laboratory also

tested and reported on several special exhibit items such as syringes and drug vials that were collected or seized as contraband at the racetracks.

The Laboratory continues participation in two external proficiency testing programs: the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists. The IRB laboratory maintained a perfect score on all blinds and proficiencies in 2000.
