The Year 2003 in Review

The Illinois Racing Board is a regulatory and enforcement agency of State Government. The Illinois General Assembly establishes public policy in the area of horse racing regulation, which is carried out by the Board. The Board, which allocates race dates to various racing associations, is also responsible for licensing, rulemaking, and supervising the conduct of race meets. Every individual that participates in Illinois racing is required to be licensed. The licensing process includes fingerprinting as well as the conduct of a background review for criminal histories. For calendar year 2003, the Board issued 10,719 licenses. A staff of administrative, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois during 2003.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Board Commissioners, as well as staff members, are active participants on various RCI committees. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

In 2003, Governor Blagojevich signed Executive Order number 9, pursuant to Article V, Section 11 of the Illinois Constitution. This order transferred functions of the Department of the Lottery, the Liquor Control Commission and the Illinois Racing Board to the Department of Revenue. The transfer was effective June 1.

The 607 race programs conducted during 2003 resulted in a total handle of \$1,067,918,400 representing a decrease of almost 6% compared to 2002. Thoroughbred meets accounted for \$708,183,060, a decrease of 2.6%, while standardbred meets contributed \$359,735,340, a decrease of 11.2%. A contract im-

passé between the harness horsemen and Maywood/Balmoral, delaying the opening of the Chicagoland harness racing circuit until March 15, was a major factor in the decrease. A total of 86 live harness programs were lost due to the contract dispute.

For calendar year 2003, 29% of the total handle, or \$308,244,909, was wagered on Illinois races at wagering facilities in Illinois. An additional \$765.8 million, a decrease of 16%, was wagered on Illinois races broadcast to other states. This percentage decrease is attributable to the fact that, in 2002, \$91.5 million was bet at out-of-state sources on Arlington's Breeders' Cup Day alone. However, in spite of the percentage decrease, 2003 marks only the third time since full-card simulcasting began in 1995 that other states wagered more on Illinois races than Illinois wagered on races from other states.

Pari-mutuel wagering in Illinois generated \$12,783,565 in total state revenues, virtually the same as the revenue generated in 2002. Wagering at off-track betting parlors generated \$11 million (2% of OTB handle) for city and county governments in 2003.

The Board experienced several leadership changes in 2003. Governor Blagojevich appointed Lorna E. Propes as Chairman of the IRB effective April 14. Ms. Propes replaced Commissioner Louise O'Sullivan, who had served on the Board since 1996 and resigned in April. Ms. Propes previously served as a member of the Board from 1989 through August 2002. Ms. Propes, a prominent Chicago trial lawyer, is a partner in the firm of Propes & Kavney LLC. In July, the Board appointed Marc V. Laino to serve as Executive Director. Mr. Laino has worked for the Board since 1987, having served in the positions of Deputy Director, State Director of Mutuels and Board Investigator. In January, Shelley Kalita assumed the duties of General Counsel. She had served as the Laboratory Director for thirteen years and Board Counsel for the past two years.

The Association of Racing Commissioners International (RCI) concluded its 69th annual convention on April 26 in Seattle, Washington, with the induction of IRB Commissioner William E. Jackson as Chairman. Commissioner Jackson, a member of the Board since 1994, accomplished business executive and ardent racing fan, facilitated the merger between RCI and NAPRA (North American Pari-Mutuel Regulators Association).

At the May Board meeting, Chairman Propes announced the formation of the Standardbred Security Task Force and named Commissioner Jack Chamblin its chairman. A diverse group of individuals in the standardbred industry were asked to serve on the committee which would examine and make recommendations regarding backstretch security, with an emphasis on the illegal practice known as “milkshaking.”

Each Illinois racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is entitled to seven licenses, bringing the statewide total to thirty-seven authorized facilities. The Board granted twenty-five off-track licenses in 2003. Two new OTB's were opened in 2003. Maywood Park opened an OTB facility in Mokena, Illinois on May 16 and Quad City Downs opened an OTB in McHenry on June 19. At the December Board meeting, an OTB license was approved for Quad City Downs at a new location in South Beloit. The facility opened on February 17, 2004.

Total purses paid in 2003 decreased compared to 2002 by almost 12% (\$92.6 million versus \$105.1). The total purses paid at Illinois' thoroughbred tracks decreased by 8% (\$59.7 million versus \$64.9). The total purses paid at Illinois' standardbred tracks decreased by 18.2% (\$32.9 million versus \$40.2). Comparing 2003 to 2002, the average total daily purses

paid at the Chicagoland thoroughbred tracks decreased by 6.3% (\$245,019 versus \$261,509). The average total daily purses paid at the Chicagoland standardbred tracks increased by 8.2% (\$112,948 versus \$104,422).

For the second year in a row, the Board approved the application of the Brown County Fair Association in Mt. Sterling, Illinois, to conduct pari-mutuel wagering on two days of harness racing during its county fair. The 2003 handle showed an increase of 5.7% over the 2002 handle, and the program generated considerable fan interest in central Illinois.

SUMMER MIS was voted the Illinois Thoroughbred Horse of the Year and Champion Older Handicap Filly and Mare. This five-year-old bay daughter of Summer Squall, out of the broodmare Julie Mis, was owned and bred by Richard Otto and trained by Tony Mitchell. In 2003, she won six of her eight starts. She has a 16 race lifetime record of nine wins, one place and one show and earnings of \$414,883. Summer Mis' most impressive race came October 12 at Keeneland where she captured the Thoroughbred Club of America, a Grade III race for fillies and mares, run at a distance of six furlongs. She won three races in a row at Arlington Park including the Isaac Murphy Handicap.

MINI ME was voted the Illinois Harness Horse of the Year for 2003. A winner of \$484,661, and lifetime earnings of \$1,078,922, this four-year-old gelding, trained by Bill Popfinger, went postward 25 times and recorded 4 wins, 7 seconds and 5 thirds. Mini Me, owned by Bob and Linda Grider of Oswego and Dawn and Roger Samson of Long Grove, captured a \$75,000 Invitational Pace at The Meadowlands in a spectacular 1:49. This winning time made him the fastest Illinois-bred four-year-old gelding ever. In 2003, he was timed in 1:50 or faster 5 different times.

Laboratory

Over the past year the Illinois Racing Board Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA) to routinely screen samples for prohibited substances. These tests are highly sensitive and allow the laboratory to screen for a wide range of pharmaceutical substances. In addition the laboratory routinely tests equine blood samples for violations exceeding the permitted levels of furosemide, phenylbutazone, oxyphenbutazone, and total carbon dioxide (TCO₂).

The laboratory assists the track stewards and security personnel in investigating possible doping violations that em-

ploy methods designed to circumvent our standard testing procedures. We also investigate and report on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory continues participation in two external proficiency testing programs: the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists. The IRB laboratory maintained a perfect score on all blinds and proficiencies in 2003.

In 2002, thoroughbred purses include \$14,280,000 that was paid at the Arlington Park Breeder's Cup.

In 2003, there was a harness labor dispute totalling 86 days.

These 2003 figures are only for events restricted to Illinois Conceived and Foaled horses (ICF) that are properly registered with the Department of Agriculture, and do not include purses won by ICF horses in open competition. Bonuses awarded to ICF horses winning in open overnites in Illinois pari-mutuel competition are included in above table. Racing was suspended from January 1- March 15, 2003 due to a work stoppage, effecting pari-mutuel totals for that period. Additionally, the final day of the DuQuoin State Fair harness meet was cancelled due to rain. The Illinois-bred stakes races scheduled for that date were rescheduled at Balmoral in September with preference given to horses that were entered at DuQuoin. State monies were available for those events minus stake and entry payments redistributed to horses entered, but not raced, at DuQuoin.
