Thoroughbred and quarterhorse breeders fund purses and awards paid	50

# The Year 2004 in Review

**T**he Illinois Racing Board is a regulatory and enforcement agency of State Government. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is carried out by the Board. The Board, which allocates race dates to various racing associations, is also responsible for licensing, rulemaking, and supervising the conduct of race meets. Every individual that participates in Illinois racing is required to be licensed. The licensing process includes fingerprinting as well as the conduct of a background review for criminal histories. For calendar year 2004, the Board issued 10,614 licenses. A staff of administrative, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois during 2004.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Board Commissioners, as well as staff members, are active participants on various RCI committees. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

In 2003, Governor Blagojevich signed an executive order transferring functions of the Illinois Racing Board to the Department of Revenue. The transfer was completed on October 1, 2004 when the Board offices moved from the 11<sup>th</sup> floor of the James R. Thompson Center to the 7<sup>th</sup> floor.

The 685 race programs conducted during 2004 resulted in a total handle of \$1,059,383,287 representing a decrease of almost 1% compared to 2003. Thoroughbred meets accounted for \$685,714,027, a decrease of 3.2%, while standardbred meets contributed \$373,669,260, an increase of 3.9%.

For calendar year 2004, 31% of the total handle, or \$327,079,537, was wagered on Illinois races at wagering facilities in Illinois. An additional \$834 mil-

lion, an increase of 8.9%, was wagered on Illinois races broadcast to other states. 2004 marks the fourth time since full-card simulcasting began in 1995 that other states wagered more on Illinois races than Illinois wagered on races from other states.

Pari-mutuel wagering in Illinois generated \$12,757,741 in total state revenues, virtually the same as the revenue generated in 2003. Wagering at off-track betting parlors generated \$11.1 million (2% of OTB handle) for city and county governments in 2004.

On March 10, 2004, the Board unanimously approved the transfer of the equine drug-testing program to the University of Illinois, Chicago. The transfer was effective on July 1. The laboratory performs a comprehensive drug screen on blood and urine samples collected from winning horses and from other horses as selected by the stewards.

Several appointments were made in 2004. Governor Blagojevich re-appointed Lorna E. Propes as Chairman of the IRB. Chairman Propes, a partner in the Chicago law firm of Propes & Kavney, has served as a member of the Board since 1989. Timothy P. Martin, William H. Farley, Jr., and Jonathan P. Metcalf were also appointed by the governor to serve on the Board. Commissioner Martin, an attorney from Naperville, was appointed in August. Commissioner Farley, a partner in the Chicago law firm of Burriss, Wright, Slaughter & Tom, was appointed in September. Commissioner Metcalf, a partner of Randall Metals Corporation in Elk Grove Village, was also appointed in September. All appointments serve a six-year term.

In December, the Board's Executive Director, Marc Laino, was appointed to RCI's Wagering Systems and Security Committee. The committee will deal with regulatory issues and concerns regarding pari-mutuel wagering systems and technology.

Each Illinois racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is

entitled to seven licenses, bringing the statewide total to 37 authorized facilities. The Board granted 25 off-track licenses in 2004. One new OTB opened and one closed in 2004. Quad City Downs opened an OTB facility in South Beloit on February 17 and Fairmount Park closed its facility in Effingham on July 19. At the December Board meeting, an OTB license was approved for Maywood Park at a new location in Aurora. The facility is expected to open in the spring of 2005.

Total purses paid in 2004 increased compared to 2003 by almost 5% (\$97.4 million versus \$93.1). The total purses paid at Illinois' thoroughbred tracks decreased by 5% (\$57.2 million versus \$60.2). The total purses paid at Illinois' standardbred tracks increased by 22.1% (\$40.2 million versus \$32.9). Comparing 2004 to 2003, the average total daily purses paid at the Chicagoland thoroughbred tracks decreased by 1% (\$241,665 versus \$245,000). The average total daily purses paid at the Chicagoland standardbred tracks decreased by 8.1% (\$103,763 versus \$112,948). In 2003, there was an 86 day labor dispute at the standardbred tracks which affected the year to year comparisons.

For the third year in a row, the Board approved the application of the Brown County Fair Association in Mt. Sterling, Illinois, to conduct pari-mutuel wagering on two days of harness racing during its county fair. The 2004 handle showed a decrease of 13% compared to the 2003 handle.

Several IRB rule changes were adopted during 2004, the most noteworthy being amendments to medication rule 603.180 (Carbon Dioxide Tests). Effective March 12, 2004, the penalties for excess TCO2 levels were significantly increased and a post-race quarantine program was also established. The penalty for a first time positive test was increased from a \$500 fine for the trainer and loss of purse to a \$2,000 fine, 60 to 90 day suspension for the trainer, "early detention" for the horse, and loss of purse. The penalty for a second positive test was increased from a \$1,000 fine, 30 day suspension,

and loss of purse to a \$5,000 fine, 180 day suspension, "early detention" for the horse, and loss of purse. The penalties for a third or subsequent positive test include a \$5,000 fine and a two-year suspension.

At its August Board meeting, held at the Illinois State Fair in Springfield, the Board approved rulemaking that would increase the maximum dosage of furosemide (lasix) from 250 to 500 milligrams. This increase is consistent with the model rules approved by the Association of Racing Commissioners International. This proposed rule change will be in place for the start of the 2005 thoroughbred racing season.

**Mystery Giver** was voted the **Illinois Thoroughbred Horse of the Year, Champion Turf Horse, and Champion Older Horse**. This seven-year-old son of Dynaformer had 2 wins in 6 starts in 2004 and earned \$470,390 for owners-breeders David and Patricia Block of Team Block. Trained by Chris Block, Mystery Giver has 11 wins in 33 career starts and has earned \$1,165,900. Out of the stakes winning Naskra mare Ioya, Mystery Giver won the \$500,000 Grade II Mervin H. Muniz Jr. Memorial Handicap at Fair Grounds Race Course and finished second to Senor Swinger in the \$200,000 Grade III Arlington Handicap at Arlington Park.

**Loyal Opposition** was voted the **2004 Illinois Harness Horse of the Year**. A winner of \$472,660, and lifetime earnings of \$1,848,863, this four-year-old pacing mare, trained by Erv Miller, went postward 19 times and recorded 9 wins, 4 seconds and 4 thirds. Loyal Opposition, owned by Daniel Waxman of Ancaster, Ontario, Canada captured the \$238,600 Lady Liberty at The Meadowlands and the \$294,078 Milton Stakes at Mohawk Raceway in Canada. In the Lady Liberty, she paced the fastest mile of her career, 1:48.4. The daughter of Cole Muffler and the Life Sign mare Tising Tising was bred in Big Rock, Illinois by Cottonwood Farm. She won the Dan Patch Award, as harness racing's 2004 aged pacing mare.

# Laboratory

Over the past year the Illinois Racing Board Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA) to routinely screen samples for prohibited substances. These tests are highly sensitive and allow the laboratory to screen for a wide range of pharmaceutical substances. In addition the laboratory routinely tests equine blood samples for violations exceeding the permitted levels of furosemide, phenylbutazone, oxyphenbutazone, and total carbon dioxide (TCO2). In March of 2004, the laboratory began a pre-race TCO2 blood testing program.

The laboratory assists the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard

testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory continues participation in two external proficiency testing programs: the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists. The IRB laboratory maintained a perfect score on all blinds and proficiencies in 2004.

On March 10, 2004, the Board unanimously approved the transfer of the equine drug-testing program to the University of Illinois, Chicago. The transfer of the laboratory was effective on July 1.

2004	12,757,741	31%	1,059,383,287	821,615,350

**Note:** In 2000, state revenue declined sharply due to statutory changes passed in 1999. These include a flat tax of 1.5%, elimination of HRTA tax, uncashed tickets and breakage to the state, and a pari-mutuel tax credit.

In 2002, thoroughbred purses include \$14,280,000 that was paid at the Arlington Park Breeder's Cup.

In 2003, there was a harness labor dispute totalling 86 days.
