The Year 2005 in Review

The Illinois Racing Board is a regulatory and enforcement agency of State Government. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is carried out by the Board. The Board, which allocates race dates to various racing associations, is also responsible for licensing, rulemaking, and supervising the conduct of race meets. Every individual that participates in Illinois racing is required to be licensed. The licensing process includes fingerprinting as well as the conduct of a background review for criminal histories. For calendar year 2005, the Board issued 10,571 licenses. A staff of administrative, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois during 2005.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Chairman Lorna Propes and Executive Director Marc Laino are active participants on RCI committees. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

The 694 race programs conducted during 2005 resulted in a total handle of \$1,002,819,877 representing a decrease of 5% compared to 2004. Thoroughbred meets accounted for \$656,920,482, a decrease of 4%, while standardbred meets accounted for \$345,899,395, a decrease of 7%.

For calendar year 2005, 30% of the total handle, or \$303,605,111 was wagered on Illinois races at wagering facilities in Illinois. An additional \$896.7 million, an increase of 7%, was wagered on Illinois races broadcast to other states. However, 2005 marks the

fourth time since full-card simulcasting began in 1995 that other states wagered more on Illinois races than Illinois wagered on races from other states.

Pari-mutuel wagering in Illinois generated \$11,794,271 in total state revenues, a decrease of 7.5% compared to 2004. Wagering at off-track betting parlors generated \$10.4 million (2% of OTB handle) for city and county governments in 2005, a decrease of 6%.

On May 19, 2005, Governor Blagojevich appointed Joseph N. Casciato to serve as a commissioner of the Illinois Racing Board. The honorable Joseph Casciato presided in the prestigious law division of the Circuit Court of Cook County for 14 years. A graduate of Loyola University and the DePaul University School of Law, he is currently a litigator in the Chicago law firm of Rusin, Maciorowski & Friedman, Ltd.

Beginning in 2005, and in cooperation with the Illinois Department of Revenue, the Racing Board electronically transfers individual license record information to the Collections Division of the DOR for comparison to their outstanding individual income tax debt database. After comparing the records, the Board receives the names of licensees with an outstanding state income tax debt. The individuals are then advised that they are not in compliance with the Illinois Income Tax Act and may be ineligible for licensing.

Each Illinois racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is entitled to seven licenses, bringing the statewide total to thirty-seven authorized facilities. The Board granted 27 off-track licenses in 2005. Three new OTB's opened, three closed and two were relocated in 2005. Inter-Track Partners, on behalf of Balmoral Park, opened new OTB facilities in Urbana and Tinley Park. Inter-Track Partners, on behalf of Maywood Park,

opened a new OTB facility in Aurora, adjacent to the Fox Valley Shopping Center. OTB facilities in North Aurora, Romeoville and Champaign permanently closed their doors. The OTB facilities in McHenry and Bloomington were re-located to different locations within the city limits.

Total purses paid in 2005 decreased compared to 2004 by 5% (\$92.2 million versus \$97.4 million). The total purses paid at Illinois' thoroughbred tracks increased by less than 1% (\$57,250,778 versus \$57,231,170). The total purses paid at Illinois' standardbred tracks decreased by 13% (\$34.9 million versus \$40.2 million). Comparing 2005 to 2004, the average total daily purses paid at the Chicagoland thoroughbred tracks decreased by 3% (\$233,867 versus \$241,665). The average total daily purses paid at the Chicagoland standardbred tracks decreased by 14% (\$89,610 versus \$103,763).

For the fourth year in a row, the Board approved the application of the Brown County Fair Association in Mt. Sterling, Illinois, to conduct pari-mutuel wagering on two days of harness racing during its county fair. The 2005 handle, \$23,581, showed a slight increase compared to the 2004 handle, \$23,340.

In July of 2005, Balmoral Park and Maywood Park became the first U.S. racetracks to conduct foreign common pool wagering from Canadian wagering facilities. This was made possible when the U.S. Congress passed an International Tax Bill that clarified that the 30% alien withholding provision does not apply to non-resident aliens in foreign countries wagering on U.S. races through international pools.

Several IRB rule changes were adopted during 2005, the most noteworthy being amendments to the Medication rule, Part 603. At its February Board meeting, the Board approved rulemaking that established

regulatory action levels for two nonsteroidal drugs (Flunixin and Ketoprofen) and two environmental contaminants (DMSO and Benzoylecgonine). These thresholds mirror the ARCI model medication rules.

Dave Magee, a member of harness racing's Hall of Fame, became the fifth driver in North American harness racing history to win 10,000 races when he won the eighth race at Balmoral Park on May 21, 2005. Horses driven by Magee have earned over \$800 million in his 33 years as a harness driver.

ORIGINAL SPIN was voted the **Illinois Thoroughbred Horse of the Year**. This two-year-old daughter of Distorted Humor had 1 win in 3 starts in 2005 and earned \$222,800 for the Russell Reineman Stable. Bred by Charles Nuckols Jr. and trained by Anthony Mitchell, Original Spin broke her maiden at Arlington Park by winning the \$150,000 Grade 3 Arlington-Washington Breeders' Cup Lassie stake. At Belmont Park she finished third in the \$1 million Grade 1 Breeders Cup for Juvenile Fillies.

For the second straight year, **LOYAL OPPOSITION** was voted the **Illinois Harness Horse of the Year**. A winner of \$673,525, this five-year-old pacing mare, trained by Erv Miller, went postward 20 times and recorded 14 wins. Loyal Opposition, owned by Daniel Waxman of Ancaster, Ontario, Canada captured the \$100,000 Ann Vonian Stake at Balmoral Park, the \$122,520 Overbid Series Final at The Meadowlands, the \$331,500 Breeders Crown at Mohawk Raceway, the \$316,910 Milton Stakes also at Mohawk and the \$70,000 Fairy Godmother Stake at Balmoral Park. In her career, she has won \$2,522,388 and 44 of her 73 starts. The daughter of Cole Muffler and the Life Sign mare Tising Tising was bred in Big Rock, Illinois by Cottonwood Farm. A three-time winner, she was also awarded the Dan Patch Award for older pacing mares.

Laboratory

Over the past year, the University of Illinois at Chicago Animal Forensic Toxicology Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA) to routinely screen samples for prohibited substances. These tests are highly sensitive and allow the laboratory to screen for a wide range of pharmaceutical substances. In addition the laboratory routinely tests equine blood samples for violations exceeding the permitted levels of furosemide, phenylbutazone, oxyphenbutazone, and total carbon dioxide (TCO₂). The laboratory acquired a new analytical equipment and upgraded and modernized the existing analytical tools.

The laboratory continues to assist the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory continues participation in two external proficiency testing programs: the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists. The laboratory maintained a perfect score on all blinds and proficiencies in 2005.

In 2003, there was a harness labor dispute totalling 86 days.

* Note that the state reimbursement for recapture was not appropriated in 2005. Also, Balmoral/Maywood waived \$478,368 of their recapture by contract with their horsemen. Balmoral/Maywood also waived \$3,126,092 from a 2003 contractual deferment, which is not reflected in the figures above.

What is purse recapture?

Purse recapture is a 1995 provision of the law that allows racetracks to recoup losses on live handle brought on by the authorization of full-card simulcasting of races from other states. Handle on Illinois races as a percentage of total Illinois handle has dropped from 95% in 1994 to 30% in 2005. The recapture amount is 2% of the decrease of Illinois handle on Illinois races from 1994. The recapture monies allocated to the racetracks are deducted from the horsemen's purse accounts. In 1999, legislation was passed that authorized annual appropriations to the Department of Agriculture for reimbursement to purse accounts equal to the recapture amounts. The appropriation is an annual decision, the race-tracks will always receive their monies, either from the state or from the originally intended horsemen's purse accounts. Below are the annual amounts of purse recapture since 1995, when full card simulcasting was authorized.
