2010 IN REVIEW

The Illinois Racing Board, an independent agency of state government, shall enforce the Illinois Horse Racing Act of 1975 and its rules, to ensure the safety and integrity of Illinois pari-mutuel horse racing. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is carried out by the Board. The Board allocates race dates to various racing associations and is also responsible for licensing, rulemaking, and supervising the conduct of race meets. Every participant in Illinois racing is required to obtain an occupational license. Good character and integrity of all participants are important to the continuity of the sport. Every application is reviewed, updated and carefully processed by the Board's licensing department before a license is issued. Also, by statute, fingerprinting is required of each applicant. The Board issued 8,116 licenses during 2010, a decrease of 7%.

A staff of administrative, regulatory, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois and 25 off-track betting facilities. Each race conducted at an Illinois racetrack is observed by three stewards, two employed by the Board, one employed by the racing association. The stewards observe the races to ensure that all conduct is in accordance with rules and regulations.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Executive Director Marc Laino is an active participant on RCI committees. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

As of December 31, 2010, the 3% Casino Impact Fee, approximately \$128.5 million, was being held in escrow by the racetracks. As a result of House Bills 1918 and 4758, the 3% surcharge

imposed on all riverboats with adjusted gross receipts over \$200 million is allocated to the Illinois horse racing industry. However, numerous legal challenges have prevented the racetracks from distributing the monies. The most recent legal challenge filed by the Illinois riverboats is currently under review by the 7th Circuit Court of Appeals.

The 490 race programs conducted during 2010, 39 fewer than 2009, resulted in a total handle of \$627,989,208 (advance deposit wagering not included) representing a 12% decrease compared to 2009. Thoroughbred race meets accounted for \$452,522,266 a decrease of 11%, while standardbred race meets accounted for \$175,466,943 a decrease of 16%. The inclusion of advance deposit wagering in 2010 (the first full year) raised the total handle to \$725,792,958. In 2009, the total handle including advance deposit wagering was \$736,740,493.

Four advance deposit wagering (ADW) companies were licensed in 2010, YouBet, TVG, TwinSpires and XpressBet. A total of \$97,803,750 was wagered through ADW for a daily average of \$268,692. In 2010, \$1.7 million was collected in state taxes, a daily average of \$4,702. YouBet customers wagered a total of \$34,793,345, TVG, \$27,316,785, TwinSpires, \$29,786,169 and XpressBet, \$5,907,451.

Approximately 24% percent of the total handle, or \$148,600,498 was wagered on Illinois races at wagering facilities in Illinois in 2010. An additional \$566,150,545 was wagered on Illinois races from outside the state. This represents a 23% decrease from the prior year. Pari-mutuel wagering in Illinois generated \$7,440,095 in total state revenues, an increase of 4% compared to 2009. Wagering at off-track betting parlors generated \$6,935,231 (2% of OTB handle) for city and county governments in 2010. This represents a 13% decrease from the prior year.

At the annual Dates Hearing on September 28th, the Board awarded a total of 527 racing programs for calendar year 2011. Compared to

2010, thoroughbred race days at the Chicago area tracks were reduced by four but standardbred dates increased by 12 programs. Fairmount Park was awarded 75 racing programs compared to 52 in 2010. In May, Commissioner Joseph N. Casciato resigned from the Board. He was appointed to the Board in May, 2005.

Section 27 of the Horse Racing Act states that a .25% tax shall be imposed on advance deposit wagering and shall be deposited into the Quarter Horse Purse Fund, not to exceed \$250,000 in any calendar year. In March, the Board approved a joint request from Fairmount Park and the Illinois Quarter Horse Association for a 22 race schedule with purses ranging from \$7,500 to \$100,000, the Fairmount Park Quarter Horse Invitational Final. The 22 quarter horse races were run between May 8 and August 24.

The Board granted 27 off-track (OTB) licenses in 2010. Each racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is entitled to seven licenses. A total of 37 licenses are available. In 2010, two new OTB's opened and two closed. Arlington Park opened a second facility in Waukegan on June 5 and Hawthorne Race Course opened a facility in Yorkville on December 26. Off-track facilities in Peru and Chicago (LaSalle and Ohio Streets) permanently closed their doors.

Total purses paid in 2010, \$54,391,463, decreased by almost 25% compared to 2009. Total purses paid at Illinois' thoroughbred tracks, \$38,792,651, decreased by 20% while purses paid at Illinois' standardbred tracks, \$15,598,812, decreased by 35%. Average daily purses paid at the Chicagoland thoroughbred tracks, \$195,876, decreased by 12% and the average daily purses paid at the Chicagoland standardbred tracks, \$60,669 decreased by 28%.

Several IRB rule changes were adopted in 2010, the most noteworthy being an amendment to Part 325 (Advance Deposit Wagering). The Board increased the permissible interstate commission fee, the fees ADW licensees are charged by out-of-state racetracks, from 5% to no more than 9%. Due to the popularity of charity gaming events at

wagering facilities, the Board adopted Part 455 (Other Gaming). The Board also amended Part 204 (Hearings and Enforcement Proceedings) by creating a Director's Review Conference (DRC). The DRC is mandatory for appeals of steward's rulings for fines of \$500 or less and disqualifications resulting from a claim of foul or interference in the absence of a jockey/driver penalty.

During calendar year 2010, the Board imposed 565 sanctions for violations of the Board's rules and regulations at both harness and thoroughbred tracks. The rulings include, but are not limited to, driving and riding infractions, general conduct violations, human and equine drug violations, general business practice violations and several other rule and statute violations.

GIANT OAK was voted Illinois Thoroughbred Horse of the Year. As a four-year-old, this Giant's Causeway colt, owned and bred by the Virginia H. Tarra Trust, had one win in ten starts in 2010 and earned \$505,000. Trained by Chris Block, Giant Oak won by disqualification the Grade I, \$500,000 Clark Handicap at Churchill Downs. Giant Oak finished second in the Grade III Washington Park Handicap at Arlington Park and the Grade II Hawthorne Gold Cup. Out of the Crafty Prospector mare Crafty Oak, he improved to four wins in 23 career starts and boosted his lifetime earnings to \$956,677.

PARDON was voted Illinois Harness Horse of the Year. A winner of \$227,008 in 2010, this two-year-old pacing filly, trained by Dirk Simpson, went postward 15 times and recorded 14 wins. Owned and bred by former IRB Commissioner Richard Balog, she capped off her freshman season with an impressive victory in the \$95,000 American National Stake at Balmoral Park. By Richess Hanover out of the Dargon's Lair mare Rose Dawson, she also won a division of the Hanover Stakes at Balmoral Park.

LABORATORY

Over the past year the University of Illinois at Chicago Animal Forensic Toxicology Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA), as well as the state-of-the-art LC-MS-MS systems, to routinely screen samples for prohibited substances,. These tests are highly sensitive and allow the laboratory to screen for a wide range of pharmaceutical substances. In addition, the laboratory routinely tests equine blood samples for violations exceeding the permitted levels of furosemide, flunixin, phenylbutazone, oxyphenbutazone, and total carbon dioxide (TCO₂). The laboratory continued the updated TCO₂ analysis which now provides the Board with additional information. The laboratory continued to routinely screen for anabolic steroids in an effort to enforce the Illinois Racing Board regulations.

The laboratory continues to assist the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory participated in the International Association of Racing Commissioners Quality Assurance Program and maintained a perfect score on all blinds and proficiencies in 2010.

2010	7,440,095	22%	725,792,958	562,772,095

Note: In 2000, State Revenue declined sharply due to statutory changes passed in 1999. These include a flat tax of 1.5%, elimination of HRTA tax, Uncashed Tickets and Breakage to the State, and a Pari-mutuel Tax Credit. In 2002, Thoroughbred Purses include \$14,280,000 that was paid at the Arlington Park Breeder's Cup. In 2003, there was a Harness labor dispute totalling 86 days. In 2009, Advanced Deposit Wagering Handle of 20,111,582 is reflected in the figures above. In 2010, Advanced Deposit Wagering Handle of 97,803,750 is reflected in the figures above.

* Note that the State reimbursement for recapture was not appropriated in 2010.

WHAT IS PURSE RECAPTURE?

Purse recapture is a 1995 provision of the law that allows racetracks to recoup losses on live handle brought on by the authorization of full-card simulcasting of races from other states. Handle on Illinois races as a percentage of total Illinois handle has dropped from 95% in 1994 to 24% in 2010. The recapture amount is 2% of the decrease of Illinois handle on Illinois races from 1994. The recapture monies allocated to the racetracks are deducted from the horsemen's purse accounts. In 1999, legislation was passed that authorized annual appropriations to the Department of Agriculture for reimbursement to purse accounts equal to the recapture amounts. The appropriation is an annual decision, the racetracks will always receive their monies, either from the State or from the originally intended horsemen's purse accounts. Below are the annual amounts of purse recapture since 1995, when full card simulcasting was authorized.

ADVANCE DEPOSIT WAGERING (ADW)

Advance Deposit Wagering officially began in Illinois on October 13th, 2009. Four companies were licensed in 2010 as ADW providers. Illinois patrons place funds into an account and then wager on races using a telephone or internet device such as a computer or personal digital assistant. Each ADW provider must have a contract with an Illinois racetrack and their affiliated Illinois horsemen association.
