## 2012 IN REVIEW

The Illinois Racing Board, an independent agency of state government, administers and enforces the Illinois Horse Racing Act of 1975 and its rules, to ensure the safety and integrity of pari-mutuel horse racing in Illinois. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is enforced by the Board. The Board licenses racetracks and off-track wagering facilities, allocates race dates, and is also responsible for licensing, rulemaking, and supervising the conduct of race meets. The Board also oversees all pari-mutuel activity and ensures the proper allocation and distribution of revenue generated by pari-mutuel wagering.

Every participant in Illinois racing is required to obtain an occupational license. Good character and integrity of all participants are important to maintain the public's confidence in the sport. Before a license is issued, every application is reviewed and carefully processed by the Board's licensing department. Also, by statute, fingerprinting is required of each applicant. The Board issued 7,810 licenses during 2012 compared to 7,698 in 2011.

Pursuant to the Illinois Horse Racing Act of 1975 (230 ILCS 5/1.2), the Illinois General Assembly finds and declares it to be the public policy of the State of Illinois to:

1. *Support and enhance Illinois' horse racing industry, which is a significant component within the agribusiness industry.* Sections 30 and 31 of the Horse Racing Act promote the breeding, buying and racing of thoroughbred and standardbred horses in Illinois, preserving the agribusiness segment of the state's economy. Purse supplements, owners awards, and breeders awards are paid to owners and breeders of winning horses in certain races limited to Illinois conceived and foaled horses.

2. *Ensure that Illinois' horse racing industry remains competitive with neighboring states.* Through the rulemaking process

established by the Illinois Administrative Procedure Act and supervised by the Joint Committee on Administrative Rules, the Board creates new rules and amends existing rules to be more consistent with other major racing jurisdictions. In recent years, the Board has concentrated on rules regulating wagering, medication and claiming.

3. *Stimulate growth within Illinois' horse racing industry, thereby encouraging new investment and development to produce additional tax revenues and to create additional jobs.* The Board strives to foster an environment that creates jobs and generates important revenue to the State of Illinois by encouraging racetracks to make use of their vacant off-track wagering licenses. Each racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is entitled to seven licenses. A total of 37 licenses are available.

4. *Promote the further growth of tourism.* To ensure that adequate funds are devoted to the marketing of horse racing, the Board requires that each applicant for licensure to operate a race meet, submit a proposed advertising and promotional budget during the licensing process.

5. *Encourage the breeding of thoroughbred and standardbred horses in this State.* Pursuant to the Horse Racing Act, breeders awards have been established to promote the breeding of thoroughbred and standardbred horses by Illinois residents.

6. *Ensure that public confidence and trust in the credibility and integrity of racing operations and the regulatory process is maintained.* Public confidence is essential to a vital horse racing industry. The licensing of all persons participating in pari-mutuel racing and the testing of post-race equine samples are necessary components of the Board's regulatory program. Urine and blood samples are obtained post-race from the winner of every race, the horses finishing second and third in certain stakes races, and from

any other horses selected at random by the stewards.

A staff of administrative, regulatory, security, and veterinary professionals, in conjunction with Board-approved racing officials, supervised the activities at five racetracks conducting pari-mutuel racing in Illinois and 26 off-track wagering facilities. Each race conducted at an Illinois racetrack is observed by three stewards, two employed by the Board, one employed by the racing association. The stewards observe the races to ensure that all conduct is in accordance with rules and regulations.

The Board is a member of the Association of Racing Commissioners International (RCI), the industry's oldest and most prominent regulatory association. Executive Director Marc Laino serves as Chairman of the Wagering Security Systems Committee. The information contained in the RCI database allows the Board to monitor the backgrounds of licensees and to exchange important regulatory and industry information with other jurisdictions.

For the tenth straight year, total handle decreased despite the advent of advance deposit wagering. In 2012, handle fell 2% compared to 2011. However, compared to 2011, out-of-state wagering on Illinois' races increased by 10%.

For the second straight year, total purses distributed increased. Compared to the previous year, total purses paid in 2012 increased by 7.5%. These increases are a direct result of the release of the 3% casino impact fee monies, from the Horse Racing Equity Trust Fund, in August of 2011.

In 2012, Governor Pat Quinn made several appointments to the Board. Hugh Scates, a businessman from Shawneetown, succeeded Angelo Ciambone. Gregory Sronce, an attorney from Springfield, succeeded Joseph Sinopoli, and Robert Schiewe, Jr., a businessman from Chicago, succeeded Paul Smith.

The opening of Illinois' 10th casino in Des Plaines in July of 2011 (Rivers Casino) triggered the discontinuance of the 3% casino impact fee pursuant to a 1999 law directing 15% of the annual

gross receipts from the Rivers Casino to the racing industry. However, as of December 31, 2012, the monies were not appropriated by the Illinois General Assembly for distribution to the race tracks and purse accounts.

Section 27 of the Horse Racing Act stated that a .25% tax shall be imposed on advance deposit wagering and deposited into the Quarter Horse Purse Fund, not to exceed \$250,000 in any calendar year. The Board approved, and Fairmount Park conducted, 28 quarter horse races with \$238,000 paid out in total purses. However, legislation was passed in August of 2012 redirecting the .25% tax to standardbred purses.

The Board granted 26 off-track (OTB) wagering licenses in 2012. On April 21, Arlington Park opened a facility in Orland Hills but closed their facility in South Beloit (licensed to Quad City Downs, "QCD") on August 23. Arlington moved its Chicago Weed Street OTB across the street from the old location on June 28. On April 25, Hawthorne Race Course opened facilities in Glendale Heights and Prospect Heights but closed facilities in Yorkville on January 31 and Buffalo Grove on April 22. On November 2, Maywood Park opened an OTB facility in Hoffman Estates and on November 7, assumed ownership of the Lockport OTB (formerly licensed to QCD).

During calendar year 2012, the Board adopted, amended or repealed various rules to protect the wagering public and ensure the safety of the human and equine participants. The Board imposed 567 sanctions for violations of the Board's rules and regulations at both harness and thoroughbred tracks. The rulings include, but are not limited to, driving and riding infractions, general conduct violations, human and equine drug violations, and general business practice violations.

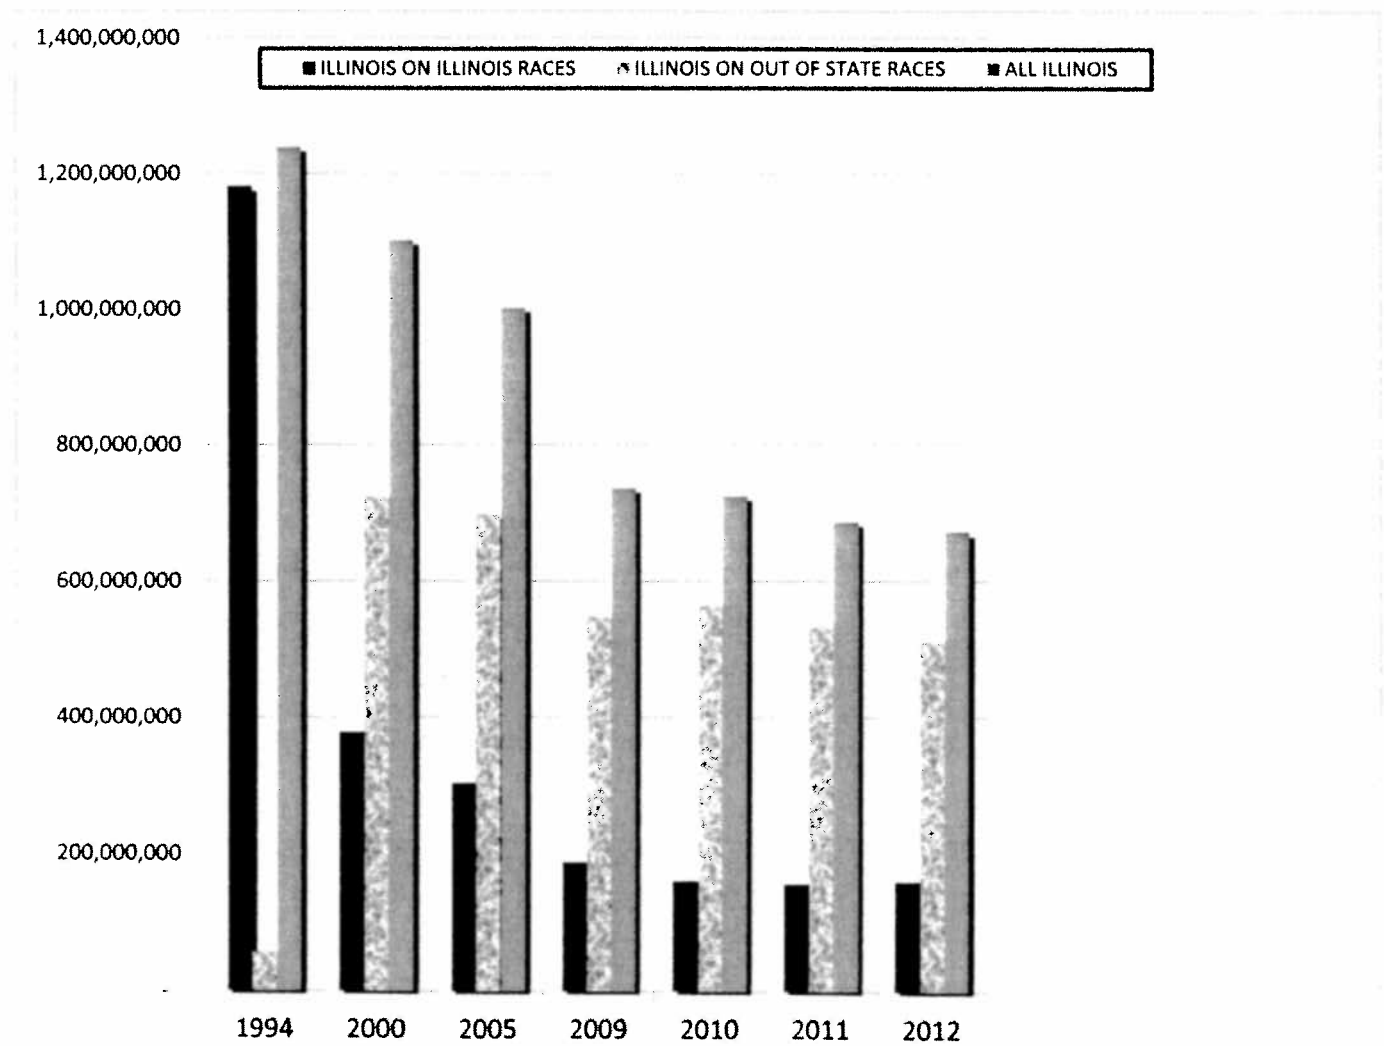

Team Block's 5-year-old homebred IOYA BIGTIME was voted Illinois Thoroughbred Horse of the Year. By Dynaformer out of the Lord At War mare Ioya Two, he won Arlington Park's \$150,000 grade III Stars and Stripes on the turf and the \$200,000 grade III Kentucky Turf Cup at Kentucky Downs. He also had a runner-up finish

in the inaugural \$400,000 American St. Leger on Arlington's grass course. Trained by Chris Block, he has a record of 6-2-3 in 17 lifetime starts, earning \$447,225.

IAM BONASERA was voted Illinois Harness Horse of the Year. A winner of \$191,095 in 2012, this five-year-old pacing gelding, trained by Roger Welch, went postward 20 times and

recorded 9 wins. Bred by Cottonwood Farm and co-owned by John Carver and Bert Hochsprung, he won the \$127,000 Tony Maurello Stake on Super Night at Balmoral Park. By Cole Muffler out of the Silky Stallone mare Shessoluvabull, he has made 57 lifetime starts and won 25 times. His lifetime bankroll stands at \$623,912.

### OUT OF STATE HANDLE ON ILLINOIS RACES VS. ILLINOIS HANDLE ON OUT OF STATE RACES

## LABORATORY

Over the past year the University of Illinois at Chicago Animal Forensic Toxicology Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory accomplished this by employing an extensive array of enzyme linked immunosorbent assays (ELISA), as well as the state-of-the-art LC-MS-MS systems, to routinely screen samples for prohibited substances. These tests are highly sensitive and allow the laboratory to screen for a wide range of substances. During the past year, the laboratory began testing equine blood samples for violations exceeding the permitted levels of furosemide, flunixin, phenylbutazone, oxyphenbutazone using the LC-MS-MS. This switch greatly reduced the reporting times for these samples. Also, the laboratory routinely tests for violations of total carbon dioxide (TCO<sub>2</sub>) levels. The laboratory continued the updated TCO<sub>2</sub> analysis which now provides the Board with additional information. The laboratory continued to routinely screen for anabolic steroids in an effort to enforce the Illinois Racing Board regulations.

The laboratory continues to assist the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

The laboratory participated in the International Association of Racing Commissioners Quality Assurance Program and the International Proficiency Testing Program conducted by the Association of Official Racing Chemists, and maintained perfect scores on all blinds and proficiencies in 2012.

## IRB Licensing

The IRB licensing unit is comprised of 3 license clerks and 1 Director assigned to thoroughbred, quarter horse, and harness venues. During a licensed racing meet at any of 5 racetracks in the state, a licensing field office of the Board is established at the operating facility. The licensing unit issued the following licenses for the license year 2012:

Note: In 2000, State Revenue declined sharply due to statutory changes passed in 1999. These include a flat tax of 1.5%, elimination of HRTA tax, Uncashed Tickets and Breakage to the State, and a Pari-mutuel Tax Credit. In 2002, Thoroughbred Purses include \$14,280,000 that was paid at the Arlington Park Breeder's Cup. In 2003, there was a Harness labor dispute totalling 86 days. In October, 2009, Advanced Deposit Wagering began and is reflected in the figures above.

### WHAT IS PURSE RECAPTURE?

Purse recapture is a 1995 provision of the law that allows racetracks to recoup losses on live handle brought on by the authorization of full-card simulcasting of races from other states. Handle on Illinois races as a percentage of total Illinois handle has dropped from 95% in 1994 to 26% in 2012. The recapture amount is 2% of the decrease of Illinois handle on Illinois races from 1994. The recapture monies allocated to the racetracks are deducted from the horsemen's purse accounts. In 1999, legislation was passed that authorized annual appropriations to the Department of Agriculture for reimbursement to purse accounts equal to the recapture amounts. The appropriation is an annual decision, the racetracks will always receive their monies, either from the State or from the originally intended horsemen's purse accounts. Below are the annual amounts of purse recapture since 1995, when full card simulcasting was authorized.

## 2012 ADVANCE DEPOSIT WAGERING (ADW)

Advance Deposit Wagering officially began in Illinois on October 13th, 2009. Four companies were licensed in 2012 as ADW providers. Illinois patrons place funds into an account and then wager on races using a telephone or internet device such as a computer or personal digital assistant. Each ADW provider must have a contract with an Illinois racetrack and their affiliated Illinois horsemen association. On August 26th, 2012, new legislation was enacted that allowed ADW wagering to continue until December 31st, 2012, imposed a .18% surcharge on winning wagers of ADW wagers, and redirected the additional .25% tax from the Quarter Horse Purse Fund to the Standardbred Purse Fund. The surcharge imposed was also earmarked for the Standardbred Purse Fund.
