THE YEAR 2015 IN REVIEW

The Illinois Racing Board ("Board"), an independent agency of state government, enforces the Illinois Horse Racing Act of 1975 (230 ILCS 5/) ("Act") and its administrative rules (Title 11 of the Administrative Code), to ensure the safety and integrity of pari-mutuel horse racing in Illinois. The Illinois General Assembly establishes public policy in the area of horse racing regulation that is enforced by the Board. The Board licenses racetracks, off-track wagering facilities, advance deposit wagering companies, allocates race dates, and is also responsible for licensing, rulemaking, and supervising the conduct of race meets. The Board also oversees all pari-mutuel activity and ensures the proper allocation and distribution of revenue generated by pari-mutuel wagering.

Every participant in Illinois pari-mutuel racing is required to obtain either an organization or occupation license, among others (e.g. ITW, OTB, or ADW). Before a license is issued, every application is reviewed and carefully processed by the Board's licensing department. The Act also requires fingerprinting of each occupation license applicant.

A staff of administrative, regulatory, security, and veterinary professionals, in conjunction with Board approved racing officials, supervised the activities at five racetracks conducting pari-mutuel horse racing. Each race conducted at an Illinois racetrack is observed by three stewards, two employed by the Board, one employed by the racing association. The stewards observe the races to ensure that all conduct is in accordance with the Act, rules, and regulations.

The Illinois Horse Racing Act of 1975 requires the Board to file a written annual report with the Governor. The report is required to include the industry's progress

toward the following policy objectives established in Section 1.2 of this Act:

1. *Support and enhance Illinois' horse racing industry, which is a significant component within the agribusiness industry.* Sections 30 and 31 of the Horse Racing Act promote the breeding, buying and racing of thoroughbred and standardbred horses in Illinois, preserving the agribusiness segment of the state's economy. Purse supplements, owners awards, and breeders awards are paid to owners and breeders of winning horses in certain races limited to Illinois conceived and foaled horses.

2. *Ensure that Illinois' horse racing industry remains competitive with neighboring states.* Through the rulemaking process established by the Illinois Administrative Procedure Act and supervised by the Joint Committee on Administrative Rules, the Board creates new rules and amends existing rules to be more uniform, consistent, and competitive with other major racing jurisdictions. In recent years, the Board has concentrated on rules regulating wagering and medication.

3. *Stimulate growth within Illinois' horse racing industry, thereby encouraging new investment and development to produce additional tax revenues and to create additional jobs.* The Board strives to foster an environment that creates jobs and generates important revenue to the State of Illinois by encouraging racetracks to make use of their vacant off-track wagering licenses. Each racetrack is entitled to receive up to six OTB licenses, except Fairmount Park, which is entitled to seven licenses. Racetracks located in Cook County are entitled to receive up to eight. A total of 43 licenses are available.

4. *Promote the further growth of tourism.* To ensure that adequate funds are devoted to the marketing of horse racing, the Board requires that each applicant for

licensure to operate a race meet (e.g. organization licensee), submit a proposed advertising and promotional budget during the licensing process.

5. *Encourage the breeding of thoroughbred and standardbred horses in this State.* Pursuant to the Act, breeders awards have been established to promote the breeding of thoroughbred and standardbred horses by Illinois residents.

6. *Ensure that public confidence and trust in the credibility and integrity of racing operations and the regulatory process is maintained.* Public confidence is essential to a vital horse racing industry. The licensing of all persons participating in pari-mutuel racing and the testing of post-race equine samples are necessary components of the Board's regulatory program. Urine and blood samples are obtained post-race from the winner of every race, the horses finishing second and third in stakes races, and from any other horses selected at random by the stewards.

The Board is a member of the Association of Racing Commissioners International (ARCI), the industry's oldest and most prominent regulatory association. The information contained in the ARCI database allows the Board to monitor the backgrounds of applicants and licensees and to exchange important regulatory and industry information with other jurisdictions.

In 2015, the Illinois handle on all racing was \$593,423,880 (388 live race programs). In 2014, the handle was \$623,983,057 (426 live race programs). In 2015, the total handle for advance deposit wagering ("ADW") on all racing was \$144,019,400. In 2014, the ADW handle was \$136,317,694.

The Board continued to struggle with fiscal and budgetary issues. The Board is funded by the revenues generated from the pari-mutuel handle (including ADW), admission taxes and license fees. The

Board receives no funding from the State's general revenue fund. As the handle decreased, the Board's revenues declined slightly. In 2015, total taxes paid to the Board were \$5,211,934 versus \$5,706,988 in 2014, a reduction in its operating budget of \$495,054 (8.67%).

A total of \$39,227,761 was distributed in purses in 2015. Thoroughbred owners, jockeys trainers received \$27,893,274 in purse money (211 live race programs) and standardbred owners, drivers and trainers received \$11,334,487 (177 live race programs). In 2014, a total of \$56,750,839 was distributed in purses, \$40,172,846 to thoroughbred (226 live race programs) and \$16,577,993 to Standardbred (200 live race programs). Illinois purses decreased by \$17,523,078 (30.88%) from 2014 to 2015.

Governor Bruce Rauner made several appointments to the Board. In January 2015, he appointed former Arlington Heights Village President, Arlene Mulder and veterinarian, Dr. Robert Lunt. In February 2015 he appointed new Chairman Jeffrey Brincat, President and CEO of a consumer finance company. Chicago area attorney's Shelley Kalita and Robert Muriel, and Chicago businessman Travis Swoope were also appointed. Chicago attorney Kathy Byrne, a Board member since 2011, resigned on November 17th.

In July, Domenic DiCera was named Executive Director of the Board, Michael R. Pieczonka was appointed the Board's General Counsel and Jackie Clisham was appointed the Board's Director of Operations.

On December 24, 2014, Balmoral Park and Maywood Park filed for bankruptcy under Chapter 11 to restructure, as a result of a lawsuit judgement to four (4) riverboat casinos in the amount of approximately \$78 million. Chapter 11 allowed the two (2) racetracks to continue their operations in 2015. However,

efforts to find buyers willing to keep Maywood Park and Balmoral Park open were unsuccessful. Maywood Park's final race program was on October 2nd and Balmoral Park wrapped up live racing on December 26th.

On September 29, 2015, the Board voted unanimously to consolidate all Chicagoland racing to Arlington Park and Hawthorne Race Course. Arlington Park and Hawthorne Race Course were awarded 74 and 65 thoroughbred programs respectively. Balmoral Park and Maywood Park were not awarded racing dates for 2016. All harness dates were awarded to Suburban Downs, Inc. ("SDI") at Hawthorne Race Course. SDI which conducted harness racing as recently as 2008, was awarded 128 harness programs. The Board also awarded 42 thoroughbred programs to Fairmount Park, located in Collinsville, Illinois.

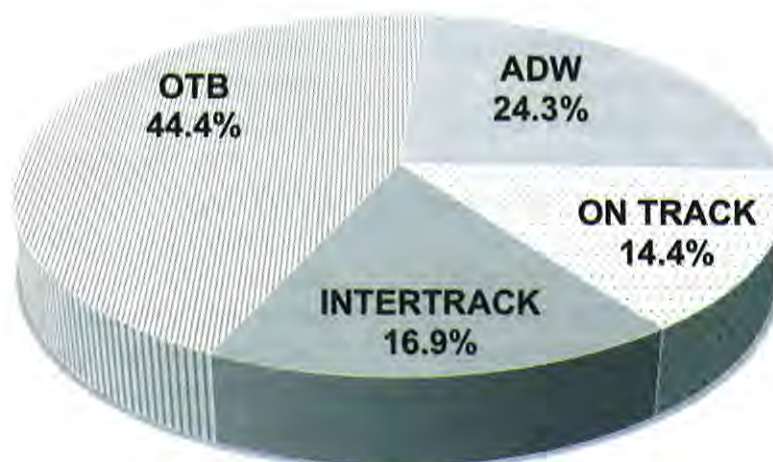

During calendar year 2015, the Board amended rules to protect the wagering public and ensure the safety of the participants, both human and equine. The Board issued 316 rulings for violations of the Board's rules and regulations at both thoroughbred and standardbred racetracks. The rulings include, but are not limited to, riding and driving infractions, general

conduct violations, licensing violations, human and equine drug violations, and general business practice violations.

CAPTAIN GREEDY was voted 2015 Illinois Harness Horse of the Year. He won seven (7) races and earned nearly \$93,000 for owners John D. Finn and Charles Doehring. The gelded son of Yankee Valor and Tropical Trixie finished in the money 15 of his 17 starts for driver/trainer J.D. Finn. On Super Night at Balmoral Park, he won the \$74,000 Su Mac Lad Stake for three-year-old trotters.

THE PIZZA MAN was voted 2015 Illinois Thoroughbred Horse of the Year. With career earnings just shy of \$1.9 million in 26 starts, the six-year-old son of English Channel, trained by Roger Brueggemann, went to the post six times in 2015 and recorded 4 wins and one second. Owned and bred by Midwest Thoroughbreds, Inc. (Richard and Karen Papiese), The Pizza Man won the Arlington Million and became the first Illinois-bred to win the Grade 1 event, which lead him to race in the Longines Breeders' Cup Turf Grade 1 race at Keeneland. He also won the Grade 3 \$100,000 Stars and Stripes at Arlington Park. He concluded the 2015 season with a victory in the Grade 2 \$250,000 Hollywood Turf Cup at Del Mar.

LABORATORY

Over the past year the University of Illinois at Chicago Analytical Forensic Testing Laboratory has conducted one of the most comprehensive equine drug testing programs in the country. The laboratory over the last year began screening all urines and bloods using solid phase extraction with LC-MS-MS analysis. This method of testing is highly sensitive and allows the laboratory to screen for a wide range of substances. In addition, this switch greatly reduced the reporting times for these samples. Also, the laboratory routinely tests for violations of total carbon dioxide (TCO₂) levels.

The laboratory continues to assist the track stewards and security personnel in investigating possible doping violations that employ methods designed to circumvent our standard testing procedures. The laboratory also investigates and reports on special items such as syringes, drug vials and other contraband that are collected or seized at the racetracks.

In 2015, the laboratory has applied to the Racing Medication Testing Consortium for laboratory accreditation. This is in addition to the laboratory's ISO 17025 accreditation. The laboratory successfully completed the International Proficiency Testing Program conducted by the Association of Official Racing Chemists with a score of 100%.

The IRB licensing unit is comprised of three license clerks assigned to thoroughbred, quarter horse, and harness venues. During a licensed racing meet at any of five racetracks and State and County Fairs in the state, a licensing field office of the Board is established at the operating facility.

WHAT IS PURSE RECAPTURE?

Purse recapture is a 1995 provision of the law that allows racetracks to recoup losses on live handle brought on by the authorization of full-card simulcasting of races from other states. Handle on Illinois races as a percentage of total Illinois handle (non-ADW) has dropped from 95% in 1994 to 18% in 2015. The recapture amount is 2% of the decrease of Illinois handle on Illinois races from 1994. The recapture monies allocated to the racetracks are deducted from the horsemen's purse accounts. In 1999, legislation was passed that authorized annual appropriations to the Department of Agriculture for reimbursement to purse accounts equal to the recapture amounts. The appropriation is an annual decision, the racetracks will always receive their monies, either from the State or from the originally intended horsemen's purse accounts. Below are the annual amounts of purse recapture since 1995, when full card was authorized.

2015 ADVANCE DEPOSIT WAGERING (ADW)

Advance Deposit Wagering officially began in Illinois on October 13th, 2009. Five companies were licensed in 2015 as ADW providers. Illinois patrons place funds into an account and then wager on races using a telephone or internet device such as a computer or personal digital assistant. Each ADW provider must have a contract with an Illinois racetrack and their affiliated Illinois horsemen association.

On January 29, 2014, ADW was re-authorized for three years and included an additional .2% surcharge on winning wagers and winnings from wagers to help fund the Racing Board. Club Hawthorne began operations on May 21, 2015.
